22.5 hours per week appealed to me so much after working 50 or more before I retired. I found that I was able to earn in excess of \$1000 a week AND have fun. It's just fantastic.

Tracy

I've been with Hightide for 6 weeks now. I just wanted to get back into the workforce now the kids were a bit older. 22.5 hours per week is perfect when you've got school age kids! I'm earning great money and really enjoy working with a marvellous team.
